1

**Diana Stover** Shiloh Rising Studios  
168 Eagle Crest Road, Moyie Springs 801.903.3569

Diana's art is as eclectic as you can get. She works in pastels, oils, watercolor batik on rice paper, textile art, painting on fabric, traditional quilting, and whatever technique happens to strike her fancy at the moment. Visit her studio and she will show you the "Tifaifai" technique!

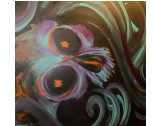

2

**Theresa Stahl** Owl's Flight Artwork  
2102 Roosevelt Rd., Moyie Springs 208.267.7102

Theresa's studio is the birthplace of her fantasy paintings and the stories that often accompany them. She creates dreamscapes - her twist on the tangible - with watercolor and ink, acrylics on canvas, (or furniture, rocks, and walls), as well as "painting with yarn" in colorful freeform crochet.

2

**Zackery Richards** Inked Alibi  
2102 Roosevelt Rd., Moyie Springs 208.610.4986

Zackery is a self taught multi-dimensional artist currently specializing in custom tattoos, airbrushing, and canvas art. Custom, unseen, and obscure art is his specialty. Purchase the ink and receive the alibi on the house.

3

**A. Lee Harris** A. Lee Harris Sculpture & Art  
1407 Oxford Rd., Bonners Ferry 208.290.3826

Art is Lee's driving force. Accomplishments include her "Flames of Knowledge" sculpture at Boundary County Library and her Bonners Ferry International Snow-Sculpting team (20 years), who represented the USA in Winnipeg (2015), having given her great adventure and joy.

4

**William Cox** Rusty Iron Ranch  
117 Shire Lane, Bonners Ferry 208.631.6151

William, a native Idahoan, has spent a majority of his life working in the woods in fisheries and wildlife, fighting fire, ranching, and construction. His pen & ink and watercolor illustrations reflect the backcountry rural lifestyle. He also dabbles a bit in photography and woodworking.

5

**Hannah Sucsy** Teascarlet Fine Art  
6389 Kootenai St., Bonners Ferry 208.946.8415

Teascarlet is a self-taught acrylic painter wildly pursuing her passion in a way that ignites and empowers others to pursue theirs. She creates with glorious chaos that invites collectors and fellow creatives to connect with art in a transformative way. Her works include tiny simple trees, calming flowers and clouds, and large emotional abstracts.

5

**Heather Todd** Old Stateline Gardens  
6389 Kootenai St., Bonners Ferry 406.291.0983

Heather creates in a variety of mediums, most often wood and fabric. Her art is garden and nature inspired, with a sustainability focus, endeavoring to make art supplies from scratch, like growing indigo and other plants to make natural pigments and dyes for her artwork.

6

**Tamara Wagner** Wood Thief Art  
7054 Helena Street, Bonners Ferry 701.833.6159

Tamara uses reclaimed wood and a scroll saw to make 3D wood art. Her business name derives from when she started her adventure with "borrowed" wood from her husband.

7

**Darrellyn Rose** R & D Creations  
391 Blue Sky Rd., Bonners Ferry 208.290.6837

Darrellyn has been drawing and painting since the early '60s. She works primarily in acrylics, but also creates with watercolor pencils. Her subjects range from portraits, florals, and still life, to landscapes.

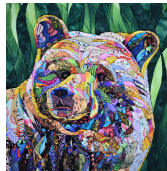

8

**Denys Knight** Accidental Hammer  
385 Moose Ridge Lane, Bonners Ferry 208.660.0373

Denys is an artist who works with Copper, colors are achieved by flame painting with a torch, and wall art is achieved by design, cutting, pounding, firing, and patinas. Having been a lettering and watercolor artist teaching internationally for 40 years, Denys switched from paper, brush, and pigments to the malleable metal of copper for her canvases, cutting shears and a paper hammer rather than a brush for creation of wall art, and a torch for painting colors with fire.

9

**Jenni Barry** Jenni Barry Art  
1812 White Mountain Rd., Naples 208.627.3818

Jenni uses a technique derived from a Japanese art called Kimekomi, a technique where pieces of fabric are tucked into foam-core, giving the appearance of being sewn. Her work combines the painterly quality of Impressionism with the warmth of complex quilting. Jenni's mission is to bring the art of kimekomi into modern art consciousness.

10

**Curtis Baruth** District 16 Collective  
490184 Hwy 95, Sandpoint 310.592.4240

Bonners Ferry art teacher Mr. Allurd saved Curtis from high-school jock bullies and helped him to discover joy in creative process. District 16 Artist Collective is a safe space for ideas and creative pursuit. They began as an idea that found a home in the District 16 schoolhouse in Elmira- putting art out there for everyone who is art curious.
